

# **NOTICE TO TOWN OF SMYRNA RESIDENTS**

## **LEAF COLLECTIONS**

Beginning September 15, 2021, Town crews will be operating our leaf machine on a regular basis. Beginning that date and through December 31, 2021, leaves may be raked to the curbside for pick up.

This vacuum machine is designed to pick up ONLY leaves. Please do not include branches or yard waste in your leaf piles!

We ask for your patience and cooperation. Due to the quantity of streets and leaves, the crew is unable to accommodate special requests for pick up. Please be assured that the crew will devote as much time as possible to this important service.
